

CAPITOL CORRIDOR TEMPORARY SERVICE CHANGE

Effective January 31, 2009 ONLY

Prepared: 1/29/2009

Track Rehabilitation Project No Service to Emeryville Station

On Saturday, January 31, 2009, **Capitol Corridor Trains 732, 733, 734, 737 and San Joaquin Train 716 WILL NOT STOP at the Emeryville station.** This will allow a window of time for Union Pacific's track crews to replace track switches leading in/out of the Emeryville train station.

This is part of a multi-year track upgrade project between Oakland and Sacramento designed to keep the railroad in good condition so trains can operate reliably.

TEMPORARY SERVICE CHANGES FOR TRAINS 732, 733, 734, 737 and SAN JOAQUIN TRAIN 716:

These trains will not stop at the Emeryville station. Connecting service to Emeryville will be provided by motorcoach bus.

Capitol Corridor Trains 732, 734 and San Joaquin Train 716

- Passengers aboard these trains traveling to Emeryville will offboard at the Berkeley station and be transported to Emeryville via motorcoach bus.
- Passengers traveling from San Francisco via motorcoach bus will make the connection to these trains in Berkeley.

Capitol Corridor Trains 733 and 737

- Passengers aboard these trains bound for Emeryville or San Francisco will offboard at the Berkeley station and must transfer to a motorcoach bus for their connection to Emeryville or San Francisco.

ALL OTHER TRAINS WILL OPERATE AS SCHEDULED.
